

*** MATERIAL SAFETY DATA SHEET ***

This MSDS is being provided to your company for the purpose of providing current health and safety information to your management and for your employees who work with this material. Please read the information on these sheets, and then provide this information to those people at your company whose responsibility it is to implement the "Workplace Hazardous Materials Information System (WHMIS)". Also make this information available to any employee who requests it.

Date of preparation: 3/3/11

3150-212

SECTION I PRODUCT IDENTIFICATION AND USE

Manufacturer : W. R. MEADOWS , INC
Address : 300 Industrial Drive, Hampshire, Illinois 60140-0338
Telephone # : (847-214-2100)
Emergency # : 1-800-424-9300 Chemtrec

- H M I S -
|Health : 0|
|Fire : 0|
|Reactivity : 0|
|Person Protection : |

(Hazard Rating: 0=Least,1=Slight,2=Moderate,3=High,4=Extreme,*=Chronic)

Product Class : This is a manufactured article and under WHMIS criterion is not a controlled product.
Product Identification Number: 3150-212
Product Identifier : SELF-EXPANDING CORK EXPANSION JOINT FILLER
Product Use : Concrete expansion joint

SECTION II HAZARDOUS INGREDIENTS

Table with columns: No. Hazardous Ingredient(s)*, CAS#, % By Weight, LD50, LC50, TLV/TWA, ACGIH TLV/Ceiling, TLV/STEL, SKIN. Content: Not applicable

* A more complete disclosure will be provided to a physician or nurse in the event of a medical emergency. None of the components of this product are recognized as carcinogenic.

Component data is defined in accordance with Sub-paragraph 13 (a) (i) to (iv) of the Hazardous Product Act.

SECTION III PHYSICAL DATA

Physical State : Solid
Specific Gravity : Not applicable
Product Odour/Appearance : Tan sheets of cork
Vapour Pressure : Not applicable
pH : Not applicable
Odour Threshold : Not applicable
Vapour Density : Not applicable
Evaporation Rate : Not applicable
Percent Volatile : Not applicable
Freezing Point : Not applicable
Boiling Point : Not applicable

Coefficient of water/oil distribution: Not applicable

SECTION IV FIRE AND EXPLOSION DATA

Conditions of Flammability: None
Means of extinction: Water fog, dry chemical, or Carbon Dioxide
Flash point and method: Not applicable
Flammability limits: LEL: N/A UEL: N/A
Autoignition temperature: Not applicable
Sensitivity to mechanical impact: No
Sensitivity to static discharge: No

Hazardous combustion products: Carbon Monoxide, Carbon Dioxide and incomplete combustion products.

SECTION V REACTIVITY DATA

Chemical stability: Stable
If no, under which conditions: Not applicable
Incompatibility (materials to avoid): Not applicable
Conditions of reactivity: None
Hazardous decomposition products: Carbon Monoxide, Carbon Dioxide, and/or incomplete combustion products.

Date of preparation: 3/3/11

3150-212

SECTION VI TOXICOLOGICAL PROPERTIES

Route(s) of entry: None

Effect(s) of acute exposure to product:

EYE CONTACT: This product may cause mechanical irritation of the eyes.

SKIN CONTACT: This product may cause mechanical irritation of the skin.

INHALATION: This product is not hazardous via inhalation with normal product use.

INGESTION: This product has a low order of toxicity. If symptoms of gastrointestinal irritation develop, seek medical attention.

SIGNS AND SYMPTOMS: None known with normal product use.

Exposure limits: See Section II.

Effect(s) of chronic exposure to product:

Carcinogenicity: No

Reproductive toxicity: Not established

Teratogenicity: Not established

Mutagenicity: Not established

Synergistic Properties: None known

SECTION VII PREVENTIVE MEASURES

Personal protective equipment: Wear cotton work gloves/safety glasses. If abraded, use of a dust filter is recommended to prevent inhalation of fibers.

Engineering controls: None required with normal product use.

Leak and spill procedures: None normally required, product is a solid.

Waste disposal: Observe all Provincial, Federal, State and local regulations regarding proper disposal.

Handling procedures/equipment: Store in a dry area.

Storage requirements: None.

Special shipping information: None

SECTION VIII FIRST AID MEASURES

EYE CONTACT: Flush eyes with water to remove particulates.

SKIN CONTACT: Flush with water to remove particulates. Wash affected area with soap and water if available.

INHALATION: None with normal product use.

INGESTION: None required with normal product use

The information contained herein is based on the data available to us and is believed to be correct. However, we make no warranty, expressed or implied regarding the accuracy of this data or the results to be obtained from the use thereof. We assume no responsibility for injury from the use of the product described herein.

SECTION IX PREPARATION OF MSDS
