AIR-SHIELD LIQUID FLASHING is a high-quality, gun grade, low-odor, elastomeric, polyether liquid-applied flashing and detailing membrane. It bonds to most construction materials, such as aluminum, brick, concrete, wood, and vinyl and exterior gypsum board. This general-purpose, liquid flashing membrane is used to seal rough openings and detail joints between exterior gypsum board.

AIR-SHIELD LIQUID FLASHING features and benefits include:

- Compatible with the entire line of AIR-SHIELD products from W. R. MEADOWS.
- Non-sag.
- 100% solvent free.
- Non-shrinking.
- Bonds to most construction materials.
- Paintable in 24 hours.
- Guns and tools easily.
- Does not harm foam insulation.
